

11/9/17

Dear Coach Johnston,

Thank you once again for a great first game. I really enjoyed how our team played. Even though we lost, I felt like we won. I couldn't keep the smile off my face. All the way home it was present. I wouldn't have felt the way I did if we had any other coach.

Thanks again,
#01 

P.S. I know this is probably cheesy, but it's how I felt.
